Subject: ORGANIC ISSUES

Attachments: ATTACHMENT.TXT

Dear Ms. Torres,

I am writing to let you know of my support for the recommendations from the National Organic Standard

Sincerely,

Patti Packer

5 Jennifer Rd

Scotia, NY 12302

imson.com

ds Board Livestock Committee from February 1, regarding pasture requirements. Obviously, pasture is t

good for the health and welfare of cows and other ruminants, and it should not be dropped as a requiren

nent from the organic standards.
